

5. Feeding

Marguerite Butler

2024-09-24

Tuesday's discussion will be on a Sustained metabolic scope paper that has some data and interesting tidbits relevant for your Design 1. Thursday we will start talking about feeding (our favorite topic!) and digestion.

Pre-class materials

i Read ahead

Before class, you can prepare by reading the following materials:

1. Tuesday [[Metabolic Celings](#)]
2. Thursday we will start Feeding & Digestion [[discussion](#)]

Announcements/Reminders

- This week during our lab sessions we will have our design 1 critique sessions. Please check which paper you have been assigned to review, and bring your completed review with you to lab. See instructions here [[Design 1 turn in](#)].
- Next week we will have our first toad lab! Please wear shoes and bring your dissection kit (if you have one, if not we will provide).
- Do discussion TEAMMATES eval, released each Thursday, due by Monday.

Week 5 Discussion Groups

| Group | Partner 1 | Partner 2 | Partner 3 |
|-------|-----------|-----------|-----------|
| 1 | Hao | Kylee | Veronica |

| Group | Partner 1 | Partner 2 | Partner 3 |
|-------|-----------|-----------|-----------|
| 2 | Adam | Ilan | Mohamad |
| 3 | James | Sean | Vivian |
| 4 | Joshua | Tamako | |
| 5 | Abby | Ashton | Christian |

Snakes Drink Weird!
