Pre-class materials

! Let's finish strong!

- Two more content discussions, then final student presentations.
- Everyone is so excited to watch your final presentations. Please sign up for a [\[presentation time\]](#)
- **Attendance is mandatory** at all remaining classes.
- **Come prepared by reading the book**, and our discussions can **probe deeper**. This will make your **homeworks**, **labs**, and **papers** so much easier.
- **Remember that effort counts**, and will be taken into account in the final grades. If your grade is on the borderline, effort will translate into a “bump up”. You show effort in many ways, including attendance and sincere participation.

Announcements/Reminders

- Osmoregulation homework due Thursday at start of class.
- Please do TEAMMATES after Thursday.
- Last lab this week! **Prepare for the Human Renal Lab starting from the night before lab.** [\[lab 12\]](#)
- Design 4 is posted [\[suggestions\]](#) or feel free to pursue your own interests and design your own project! Due the week of finals.
